TERMS OF SALE

1. This is a public auction sale conducted by licensed and bonded auctioneers.
2. **No Commission or "BUYER'S FEE" will be charged for executing Bids.** These bids will be treated as your maximum bid for each lot. In general, we start the bidding on each lot at a small advance over the next highest bid, thereby attempting to purchase the lot as reasonably as possible for you. Bidders must pay all Postage, Express and Insurance charges.
3. We cannot be responsible for any errors in bidding. Please make certain you bid on the correct lot. When bidding for items in the sale, the bidder whether bidding in person, by mail, or by agent, agrees to abide by all the terms of sale.
4. **MAIL YOUR BID SHEET EARLY.** When identical mail bids are received by the auctioneer, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid, and a floor bidder must bid higher than the highest mail bid to be awarded any lot. The auctioneer reserves the right to refuse ridiculously low bids which he, in his sole discretion, feels are not made in good faith. The auctioneer reserves the right to open the lot at a reasonable price, to set bidding increments as he, in his sole discretion, shall determine, and to withdraw any lot at any time.
5. Coins, Medals, etc., are sold so much per LOT, unless otherwise stated. No lots will be broken up. Estimates given are for the general guidance of the bidder. The lots can sell above or below the estimates.
6. All items offered in this catalogue are guaranteed to be genuine and correctly attributed. Claims to the contrary must be made within seven (7) days after receipt of the material. No lot may be returned without a prior written consent for any reason whatsoever or without its original container. Grading is a subjective description in the opinion of the cataloguer as to the state of preservation of a particular coin or lot. The term "proof" or "specimen" is used to describe a method of manufacture, and not a grade or condition. Such terms are the opinion of the cataloguer and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and do vary among experts.
7. Auction sales are not approval sales. In the event of non-payment by the buyer, STACK'S expressly reserves the right to refuse to deliver the lots and in addition STACK'S reserves any and all rights that it would be entitled to under the Uniform Commercial Code. Floor bidders are encouraged to carefully examine all lots on which they are interested in bidding since NO LOTS PURCHASED BY FLOOR BUYERS MAY BE RETURNED, including those lots where the floor buyer is acting as agent for another, or those lots sold to mail bidders who have examined the lots.
8. The highest bidder shall be the buyer, and if any dispute arises between two or more bidders, the lot in question shall be immediately put up and sold again. No lots will be put up out of their numerical order.
9. Unknown bidders must establish credit references or submit a deposit of 25% of their bids. By bidding in this sale, even if for a corporation or another individual, a bidder personally guarantees prompt payment. We cannot accept bids from minors. By bidding in this sale, the bidder acknowledges that the purchase is not a consumer credit transaction. **TITLE REMAINS WITH STACK'S UNTIL PAID FOR IN FULL.** It is the buyer's responsibility and obligation to have the lots fully insured while in his possession. Risk of loss is on the buyer.
10. Auction sales are strictly for cash and must be paid for promptly in U. S. funds. All bidders personally guarantee prompt payment. Checks are acceptable with proper identification. On any accounts past due, STACK'S reserves the right to extend credit and impose periodic charges as stated on the invoice or statement.
11. All lots delivered in New York State are subject to applicable Sales Tax.
12. Except for any claim or controversy arising out of non-payment (which, at the exclusive option of the seller or auctioneer may be referred to arbitration), any claim or controversy arising out of this sale shall be settled exclusively by binding arbitration under the rules of the Professional Numismatists Guild, Inc., then in effect. By bidding in this sale you agree to be bound by the arbitration provisions of the Professional Numismatists Guild. In all cases, the maximum liability of STACK'S for any item sold shall be limited to the official price of record of the item at this sale.

Lot No. 1264

1264 **1854** First year of issue and the only type with DOLLARS in small letters. **Gem Brilliant Uncirculated,** deep yellow gold, with a few tiny copper stains. A sensational pristine example which will no doubt realize a record price.

Lot No. 1265

1265 **1855 Brilliant Uncirculated,** yellow gold, with a greenish coppery tint. A common date but really quite difficult to locate in Mint State.

Lot No. 1266

1266 **1856 Brilliant Uncirculated,** frosty mint bloom. A splendid coin very nearly in the choice category. Here again, not scarce as a date but in this condition quite scarce.
